This side of the form should be completed by the BWY teacher and the reverse side completed and signed by the legal guardian (usually parent/carer) of a young person, together with the signature of the young person. It provides permission for images of the young person to be used.

Please note that if you have more than one child under the age of 18 registered in a yoga class, a separate form will need to be completed for each young person.

### **This side to be completed by the BWY teacher**

I, \_\_\_\_\_ (name of teacher) as a BWY teacher, recognise the need to ensure the welfare and safety of all young people in my yoga class. As part of the BWY's commitment to ensure the safety of young people, I will not permit photographs, video or other images of young people to be taken or used without the consent of the parent/carer and the young person.

I will follow the guidance for the use of images of young people, a copy of which is in the BWY Child Protection Policy and Implementation Procedures.

I will take all steps to ensure these images are used solely for the purposes they are intended which is the promotion and celebration of the activities of yoga.
